

The Processes and The Processors

(This is based on that door hanger I created a while back "Die and go to heaven right now: Be Born Again) "What the world needs now is Instant love.. sweet Instant love.." not another process. We have all been processed enough already. I refuse to be processed anymore.

I just declare to those that are born again how they have been processed by the great processor: God thru his Son Jesus Christ. No more processes or processing needed. I don't want to be processed nor do I want to be a processor. Both negates rest for your soul. The world is full of people who love to be processed and those who love to be processors. That equals 60 million dead in ww II.

The church should be declaring how a born again believer has already been processed right when they came to Jesus. No more processes needed. They have been processed once and for all for all time and eternity.

For by one offering he hath perfected for ever them that are sanctified.
(Hebrews 10:14)

But of him are ye in Christ Jesus, who of God is made unto us wisdom, and righteousness, and sanctification, and redemption: (1Corinthians 1:30)

You have been processed enough already. And stay far away from being a processor. You declare what is already by the sheer grace of God. Not what isn't until you go thru another one of man's process. (be careful you don't create a process of your own). And there are multitudes of man processes out there: in the world and the church.

But ... ye are COMPLETE in him, which is the head of all principality and power: (Colossians 2:10)
